PROFESSIONAL WORK

MARK VETTER ARCHITECTURE

MVA is an interdisciplinary practice with a commitment to resilient, innovative, and inspiring design.
The company works closely with structural engineers, mechanical engineers, and acoustic consultants to provide a unique solution for each project. Main clients are corporate boutique fitness gym, corporate retail stores, and corporate restaurant. I work closely with the principal on assigned projects in several states; Florida, Georgia, Massachusetts, Michigan, Illinois, New Jersey and New York.

Architectural Designer | Mark Vetter, Principal
